RENEWED PETITION UNDER 37 CFR 1.47(b)

To the Director of Patents and Trademarks

Sir:

In response to the Decision mailed November 28, 2007, kindly consider this request for reconsideration and the attached additional evidence. This Renewed Petition incorporates by reference the evidence and statements of the Petition for Filing Without Inventor's Signature Under 37 CFR 1.47(b) filed October 17, 2007 and Additional Evidence filed October 18, 2007 and November 1, 2007. The attached additional documentary evidence (Annexes 9, 10, and 11) provide the information lacking in the original Petition (identified in the Decision as item 2, item 4, and item 5).

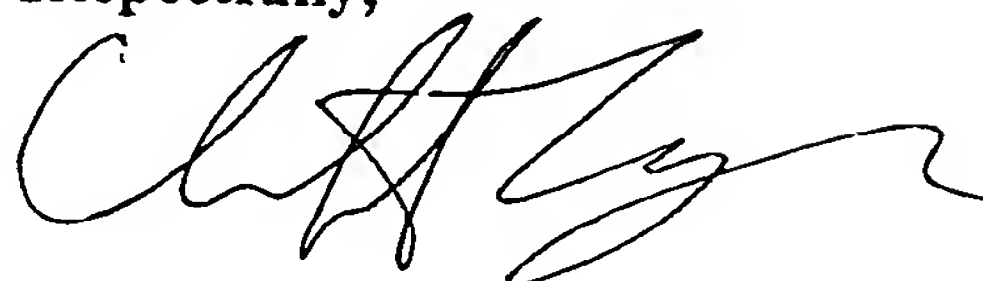

Annex 9 is a declaration executed by the 37 CFR 1.47(b) applicant (Tate & Lyle Europe NV) on behalf of and as agent for the nonsigning inventor Thomas Landazuri. The declaration was executed by the Managing Director of Tate & Lyle Europe NV, Jan Hutsebaut. Annex 10 is an affidavit from Carol Vandeputte, the person who actually sent the papers to the inventor and to whom the refusal was made, stating that the nonsigning inventor refused to sign. Annex 11 is an affidavit from Roland Coen of Tate & Lyle Europe NV, stating that he has first-hand knowledge that the invention was made by the inventor during and as a result of his employment with the assignee.

Applicant believes that this additional evidence satisfies all of the requirements of the code section and supplies all of the documents identified as lacking in the Decision. As a result, the Petition should be granted and the Application accepted.

CONCLUSION

Acceptance of the petition and application are requested.

Respectfully,

A handwritten signature in black ink, appearing to read 'James C. Wray', written in a cursive style.

I, Carol Vandeputte, hereby declare that I contacted Mr. Tomas Landazuri several times by E-mail requesting him to sign a declaration form and an assignment document (these documents being added in attachment to these E-mails). However, he answered me back by E-mail stating that he refused to sign these papers for the reason that he did not work at Tate & Lyle Europe NV anymore, and he did not feel comfortable with these papers.
